

## CONTRACT UPDATE | JUNE 2010

● ● ● **Government Solutions**  
State and Local

Steelcase Inc.

TXMAS-7-7110140

Office Furniture

**More than 250 lines of** systems furniture, seating, wood and metal desks, storage, architectural walls, organizational tools and technology products **on contract at great pricing.**

Steelcase and our authorized dealers have a long history of servicing the contract furniture needs of the **State of Texas**. We're pleased to announce the following additions to the TXMAS-7-7110140 contract:

**Walkstation** makes work a moving experience. It lets users walk comfortably, burn calories, feel healthier and more energized all while accomplishing the work they normally do seated. An excellent addition to your organization's wellness program.

(<http://www.steelcase.com/en/products/category/tables/adjustable/walkstation/pages/overview.aspx>)

**Series 7 Adjustable Tables** are an enhanced sit-to-stand electric height-adjustable desking solution that delivers a complete range of ergonomic benefits. Movement throughout the day has a positive impact on health and productivity.

(<http://www.steelcase.com/en/products/category/tables/adjustable/series7/pages/overview.aspx>)

**RoomWizard™** is the first web-based room scheduling system with a touch screen display providing real-time, displayed meeting information outside the room.

(<http://www.steelcase.com/en/products/category/integrated/collaborative/roomwizard/pages/overview.aspx>)

**CopyCam™** converts any markerboard into an instant, color copyboard — allowing you to save and share meeting notes or drawings with no pre-planning or pre-meeting setup.

(<http://www.steelcase.com/en/products/category/integrated/collaborative/copycam/pages/overview.aspx>)

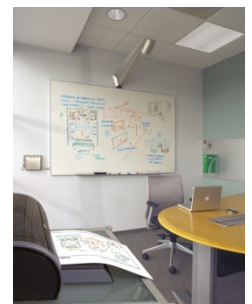

**Privacy Wall** is better than drywall. Painted frames are constructed of solid steel, contain 30% recycled material and are 90% recyclable. Privacy Walls can be moved and reused as your needs change.

(<http://www.steelcase.com/en/products/category/architectural/walls/privacy-wall/pages/features.aspx>)

**Cobi®**, a part of our new collaborative seating offering, was designed specifically to foster collaboration. It encourages movement and supports a variety of postures.
